

ID	Description
GO:0003674	molecular_function
GO:1902494	catalytic complex
GO:0022904	respiratory electron transport chain

ID	Description
GO:0003674	molecular_function
GO:0008150	biological_process
GO:0005575	cellular_component
GO:0008152	metabolic process
GO:0009987	cellular process
GO:0005488	binding
GO:0044237	cellular metabolic process
GO:0071704	organic substance metabolic process
GO:0044238	primary metabolic process
GO:0003824	catalytic activity
